

## Drunk Elephant African Marula Essential Oil Blend with Noni Fruit Extract

6 August 2012 at 20:17

### Drunk Elephant Marula + Essential Oil Blend for Body featuring Noni Fruit

**What it is:** A luxurious and chemical-free blend of Marula Oil and other essential oils that provides a perfectly balanced blend of vital nutrients for luminous and healthy looking skin. The all-absorbing formula delivers deep and long lasting skin cell nourishment, revealing skin that appears smooth and rejuvenated.

**What it is formulated to do:** Provide a luminous glow with zero greasy after feel. Helps boost collagen and elastin production, while restoring skin's radiance. Provides soothing and calming benefits, rich in essential fatty acids, acts to restructure the skin and improves skin hydration and integrity.

#### What else you need to know:

Drunk Elephant African Marula Essential Oil Blend is part of a collection of Drunk Elephant products designed to soothe and improve even the most sensitive skin. It is toxin and fragrance free. You could drink it if you wanted, but please don't! We don't do any testing on animals...including elephants.

#### Ingredients

**Marula Oil:** Heals, providing more advanced protection against environmental stressors & free radicals, which can lead to wrinkles, fine lines & other signs of premature aging. Leaves skin soft & supple with increased elasticity & firmness Suitable for all skin types.

- Omega-rich with exceptional moisturizing benefits
- Fast absorbing, light, non-greasy texture
- Provides long-lasting hydration
- Naturally healing to reduce inflammation and redness
- Leaves skin soft, supple and glowing
- Can lead to noticeable improvement in skin's elasticity and firmness with consistent use
- Anti-microbial properties make it appropriate for all skin types

**Noni Fruit Extract:** Nourishes soothes and heals. One of the most powerful nutrients found in nature, Noni contains vitamins A B1 B2 B6 C D and E along with Niacin Folic Acid and a host of other skin-saving vitamins. Prized for its antioxidant and rapid healing properties it works to calm itching and irritation while promoting healthy skin.

**Jojoba Oil:** rich in nutrients such as vitamin E, B complex vitamins, and the minerals silicon, chromium, copper and zinc, has anti-inflammatory properties, and are suitable for all types of skin. also has antimicrobial properties and fights bacterial and fungal infections, which may be due to its high iodine content. It is deeply moisturizing, and absorbs quickly without leaving an oily residue.

**Argan Oil:** Repairs and replenishes skin cells.

**Sweet Almond Oil:** Nourish the skin, thus helping to improve elasticity and smoothness. revives the skin, is easily absorbed, won't clog pores, and promotes clear, healthy skin.

**Rose Hip Seed Oil:** Rich in vitamin A, it stimulates the natural metabolism of skin cells

**Omega Blue (Vaccinium Myrtillus (Bilberry) Seed Oil:** clinically shown to be endowed with restructuring properties on damaged skin barrier, improving skin hydration and skin integrity.

**Grapeseed Oil:** Aids in improving elasticity to the skin.

**Apricot Kernel Oil:** Known for its skin protective and nourishing properties, it also provides excellent softening and moisturizing properties for prematurely aged, dry or irritated skin.

**Actiphyte of Aloe Vera:** Soothes, heals and helps maintain healthy skin. Also acts as an anti-inflammatory.

**Florasun 90 (Sunflower Seed Oil):** contains vitamin A and a high level of antioxidants, which can help reduce your risk of developing premature signs of aging.

**Cranberry Seed Oil:** Maintains the skin's elasticity and smoothness

and anti-inflammatory properties that protect against infection and promote strong skin.

Crambe Abyssinica Seed Oil: a non-greasy oil; replacing essential skin lipids with this oil has been known to improve skin tone and texture.

Omega 9: Improve elasticity, softness, and smoothness.

Brazilian Acai Oil: a very powerful antioxidant and anti-inflammatory. Heals and penetrates the skin quickly, acting as an excellent emollient carrier oil. Used to treat acne and reduce swelling. Proven to help protect against the damage of free-radicals and may help destroy and protect against cancer cell formation.

Vitamin E Acetate: can penetrate through the skin to the living cells, where about 5% is converted to free tocopherol and provides beneficial antioxidant effects

**Suggested Usage:** After bath or shower, apply all over body for moisture and nourishment to the skin. May be used on all skin types as often as desired.

**Formulated without:**

- Parabens
- Sulfates
- Synthetic Fragrances
- Natural fragrances
- Synthetic Dyes
- Petrochemicals
- Phthalates
- GMOs
- Triclosan
- Harsh chemicals

\*WE ARE IN THE TESTING PHASE OF THIS PRODUCT. THE INGREDIENTS CAN AND MAY CHANGE. WE WILL UPDATE OUR NOTES ACCORDINGLY.

The first samples are in! This oil blend feels incredible on my skin...just as I knew it would!
